## Directors' Report to the Members

**For the Quarter ended March 31, 2010**

On behalf of the Board, I am pleased to present the interim unconsolidated financial statements of the company for the first quarter of 2010.

The highlights for the period under review are as under:

	<b>March 31, 2010</b>	March 31, 2009
	————— (Rupees in thousand) —————	
Gross Premium	<b>2,593,025</b>	2,362,610
Net Premium	<b>1,722,192</b>	1,779,964
Underwriting Results	<b>232,413</b>	199,318
Investment Income	<b>221,175</b>	384,927
Profit Before Tax	<b>334,315</b>	480,478
Profit After Tax	<b>247,562</b>	441,444
Earnings per Share (Rupees)	<b>2.20</b>	3.93

The Gross Premium recorded a growth of 10% and underwriting results depict an increase of 17% over the corresponding period of last year.

The Net claims have reduced by 6% from the same period last year and combined ratio has improved from 89% in the corresponding quarter of last year to 87% in this quarter.

The company's investment income shows a decrease of 43% as compared to last year, which is mainly due to the 'Reversal of provision for Available for sale investments' in the first quarter of 2009 which amounted to Rs 231 million. This quarter there is a charge of Rs 5 million. This is due to the overall position of stock markets in the country. The Profit Before and After Tax have declined by 30% and 44% respectively from comparative period of last year.

The company is committed to satisfy customer needs by offering a variety of products and improvement of its services.

We thank the regulators for their guidance and cooperation, our employees and agents for their dedication and our valued customers for their continued support and confidence in us.

On behalf of the Board of Directors

Karachi: April 26, 2010

**Muhammad Ali Zeb**  
Managing Director & Chief Executive

# CONDENSED INTERIM UNCONSOLIDATED NOTES TO THE FINANCIAL INFORMATION

FOR THE QUARTER ENDED MARCH 31, 2010 (UNAUDITED)

## 1 THE COMPANY AND ITS OPERATIONS

Adamjee Insurance Company Limited (the company) is a public limited company incorporated in Pakistan on September 28, 1960 under the Companies Act, 1913 (now Companies Ordinance, 1984). The company is listed on all the stock exchanges in Pakistan and is engaged in the non-life insurance business.

The registered office of the company is situated at Adamjee House, I.I. Chundrigar Road, Karachi.

The company also operates branches in the United Arab Emirates (UAE), the Kingdom of Saudi Arabia (KSA) and the Export Processing Zone (EPZ). The branch in the KSA has closed down its operations and is in "run-off" status with effect from October 01, 2003.

## 2 BASIS OF PREPARATION

This interim financial information is unaudited and is being submitted to the shareholders in accordance with the listing regulations of the Stock Exchanges and section 245 of the Companies Ordinance, 1984 and being presented in condensed form in accordance with the requirements of International Accounting Standard (IAS) - 34 'Interim Financial Reporting' and in the format prescribed by Insurance Division of SECP in its Circular No. 7 of 2003 dated August 27, 2003. This interim financial information do not include all the information and disclosures required in the financial statements, and should be read in conjunction with the Company's annual published financial statements for the year ended December 31, 2009.

## 3 BASIS OF MEASUREMENT

This interim financial information has been prepared under the historical cost convention except that obligations under certain employee benefits are measured at present value.

## 4 ACCOUNTING POLICIES AND COMPUTATION METHODS

The accounting policies and methods of computation adopted in the preparation of this interim financial information are the same as those applied in the preparation of the preceding annual published financial statements of the company for the year ended December 31, 2009.

## 5 CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

Judgments and estimates made by the management in the preparation of this interim financial information are the same as those applied to the preceding annual published financial statements of the company for the year ended December 31, 2009.

## 6 CONTINGENCIES AND COMMITMENTS

### 6.1 Contingencies

The income tax assessments of the company have been finalized up to and including the tax year 2009. However, the company has filed appeals in respect of certain assessment years mainly on account of following:

- i) The Deputy Commissioner of Income Tax (DCIT) has finalized assessments for the assessment year 1999-2000 by taxing capital gains at the full rate of 33%. The aggregate tax liability assessed by the DCIT amounted to Rupees 48.205 million against which the company has made a total provision of Rupees 44.141 million resulting in a shortfall of Rupees 4.064 million. The company filed appeals with the

# CONDENSED INTERIM UNCONSOLIDATED NOTES TO THE FINANCIAL INFORMATION

FOR THE QUARTER ENDED MARCH 31, 2010 (UNAUDITED)

Commissioner of Income Tax (Appeals) and Income Tax Appellate Tribunal (ITAT) which were decided against the company. Consequently the company has filed an appeal before the Honorable High Court of Sindh and the petition is fixed for regular rehearing;

- ii) The Additional Commissioner / Taxation Officer has reopened assessments for the assessment years 2000-2001 and 2001-2002 by taxing bonus shares received by the company during the above mentioned periods resulting in an additional tax liability of Rupees 14.907 million. An appeal was filed before the Commissioner of Income Tax (Appeals) who cancelled the amended order passed by the Additional Commissioner and allowed relief to the company but the Tax Department had filed an appeal before the ITAT against the order of the Additional Commissioner, which has been decided in favour of the company. There are chances that the Tax Department will file an appeal against the decision of ITAT;
- iii) While finalizing the assessment for the assessment year 2002-2003, DCIT has reduced the business loss for the year by Rupees 88.180 million by adjusting the dividend income against this loss. The company maintains that it is entitled to carry the gross loss forward for adjustment against the future taxable income and dividend income for the year should be taxed separately at reduced rate. The appeals of the company in this respect have been rejected by the Commissioner of Income Tax (Appeals), the ITAT and the Sindh High Court. The company has now filed a reference application with the Supreme Court of Pakistan. The management is confident that the matter will eventually be decided in favor of the company and has consequently not made any provision against the additional tax liability of Rupees 26.455 million which may arise in this respect;
- iv) The Tax Authorities have also amended the assessments for tax years 2003 to 2007 on the ground that the company has not apportioned management and general administration expenses against capital gain and dividend income. The company has filed constitution petition in the High Court of Sindh against the amendment in the assessment order. The company may be liable to pay Rupees 5.881 million in the event of decision against the company, out of which Rupees 2.727 million has been provided by the company resulting in a shortfall of Rupees 3.154 million;
- v) The Taxation Officer has passed an order in the tax year 2005 and 2006 under section 221 of the Income Tax Ordinance, 2001 (the Ordinance) levying minimum tax liability aggregating to Rupees 38.358 million. An appeal had been filed before the Commissioner of Income Tax (Appeals) who upheld the order of the Taxation Officer. The Company has filed an appeal before ITAT which is pending to be heard;
- vi) The Taxation Officer has passed an order under section 161/205 of the Ordinance in Tax year 2007 creating a demand of Rupees 1.263 million. The company filed an appeal before the Commissioner of Income Tax (Appeals) which has been decided against the company. The company is filing an appeal before the Income Tax Appellate Tribunal.

Pending resolution of the above-mentioned appeals filed by the company, no provision has been made in these unconsolidated financial statements for the aggregate amount of Rupees 88.201 million (December 31, 2009: 88.201 million) as the management is confident that the eventual outcome of the above matters will be in favor of the company.

## 6.2 Commitments

There were no capital or other commitments as at March 31, 2010 (December 31, 2009: Nil)

# NOTES TO THE CONDENSED INTERIM CONSOLIDATED FINANCIAL INFORMATION

FOR THE QUARTER ENDED MARCH 31, 2010 (UNAUDITED)

## 1 BASIS OF PRESENTATION

The condensed interim consolidated financial information comprises the consolidated financial information of Adamjee Insurance Company Limited and its subsidiary company, Adamjee Life Assurance Company Limited, as at March 31, 2010. The condensed interim financial information of the subsidiary companies has been consolidated on line by line basis. All inter company balances and transaction have been eliminated.

## 2 BASIS OF PREPARATION

This condensed interim consolidated financial information is unaudited and is being submitted to the shareholders in accordance with the listing regulations of the Stock Exchanges and section 245 of the Companies Ordinance, 1984 and being presented in condensed form in accordance with the requirements of International Accounting Standard (IAS) - 34 'Interim Financial Reporting' and in the format prescribed by Insurance Division of SECP in its Circular No. 7 of 2003 dated August 27, 2003. This condensed interim consolidated financial information do not include all the information and disclosures required in the financial statements, and should be read in conjunction with the Company's annual published financial statements for the year ended December 31, 2009.

## 3 BASIS OF MEASUREMENT

This condensed interim consolidated financial information has been prepared under the historical cost convention except that obligations under certain employee benefits are measured at present value.

## 4 ACCOUNTING POLICIES AND COMPUTATION METHODS

The accounting policies and methods of computation adopted in the preparation of this condensed interim consolidated financial information are the same as those applied in the preparation of the preceding annual published financial statements of the company for the year ended December 31, 2009.

## 5 CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

Judgments and estimates made by the management in the preparation of this condensed interim consolidated financial information are the same as those applied to the preceding annual published financial statements of the company for the year ended December 31, 2009.

## 6 CONTINGENCIES AND COMMITMENTS

### 6.1 Contingencies

The income tax assessments of the company have been finalized up to and including the tax year 2009. However, the company has filed appeals in respect of certain assessment years mainly on account of following:

- (i) The Deputy Commissioner of Income Tax (DCIT) has finalized assessments for the assessment year 1999-2000 by taxing capital gains at the full rate of 33%. The aggregate tax liability assessed by the DCIT amounted to Rupees 48.205 million against which the company has made a total provision of Rupees 44.141 million resulting in a shortfall of Rupees 4.064 million. The company filed appeals with the Commissioner of Income Tax (Appeals) and Income Tax Appellate Tribunal (ITAT) which were decided against the company. Consequently the company has filed an appeal before the Honorable High Court of Sindh and the petition is fixed for regular hearing;

# NOTES TO THE CONDENSED INTERIM CONSOLIDATED FINANCIAL INFORMATION

FOR THE QUARTER ENDED MARCH 31, 2010 (UNAUDITED)

- ii) The Additional Commissioner / Taxation Officer has reopened assessments for the assessment years 2000-2001 and 2001-2002 by taxing bonus shares received by the company during the above mentioned periods resulting in an additional tax liability of Rupees 14.907 million. An appeal was filed before the Commissioner of Income Tax (Appeals) who cancelled the amended order passed by the Additional Commissioner and allowed relief to the company but the Tax Department had filed an appeal before the ITAT against the order of the Additional Commissioner, which has been decided in favour of the company. There are chances that the Tax Department will file an appeal against the decision of ITAT;
- iii) While finalizing the assessment for the assessment year 2002-2003, DCIT has reduced the business loss for the year by Rupees 88.180 million by adjusting the dividend income against this loss. The company maintains that it is entitled to carry the gross loss forward for adjustment against the future taxable income and dividend income for the year should be taxed separately at reduced rate. The appeals of the company in this respect have been rejected by the Commissioner of Income Tax (Appeals), the ITAT and the Sindh High Court. The company has now filed a reference application with the Supreme Court of Pakistan. The management is confident that the matter will eventually be decided in favor of the company and has consequently not made any provision against the additional tax liability of Rupees 26.455 million which may arise in this respect;
- iv) The Tax Authorities have also amended the assessments for tax years 2003 to 2007 on the ground that the company has not apportioned management and general administration expenses against capital gain and dividend income. The company has filed constitution petition in the High Court of Sindh against the amendment in the assessment order. The company may be liable to pay Rupees 5.881 million in the event of decision against the company, out of which Rupees 2.727 million has been provided by the company resulting in a shortfall of Rupees 3.154 million;
- v) The Taxation Officer has passed an order in the tax year 2005 and 2006 under section 221 of the Income Tax Ordinance, 2001 (the Ordinance) levying minimum tax liability aggregating to Rupees 38.358 million. An appeal had been filed before the Commissioner of Income Tax (Appeals) who upheld the order of the Taxation Officer. The Company has filed an appeal before ITAT which is pending to be heard;
- vi) The Taxation Officer has passed an order under section 161/205 of the Ordinance in Tax year 2007 creating a demand of Rupees 1.263 million. The company filed an appeal before the Commissioner of Income Tax (Appeals) which has been decided against the company. The company is filing an appeal before the Income Tax Appellate Tribunal.

Pending resolution of the above-mentioned appeals filed by the company, no provision has been made in these unconsolidated financial statements for the aggregate amount of Rupees 88.201 million (December 31, 2009: 88.201 million) as the management is confident that the eventual outcome of the above matters will be in favor of the company.

## 6.2 Commitments

There were no capital or other commitments as at March 31, 2010 (December 31, 2009: Nil)
